

# Attention FDA

0360 '00 APR -6 P1:31

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam? *No. I studied*

*radio & I know what decibels (DESBLE) & GAIN ARE*

*ABOUT. This ploy is nothing more than attempt to KILL competition.*

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

*I am getting old (82 years) and it is not so easy to get around especially if one must <sup>DEPEND</sup> depend on others*

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

*Absolutely no.*

4. Should I be allowed to purchase hearing aids by mail as I choose?

*yes*
